Drowsy birds
by Mihai Eminescu

Drowsy birds at even gliding,
Round about their nests alight,
In among the branches hiding...
Dear, good night!

Silence through the forest
creeping,
Lullaby the river sighs;
In the garden flowers sleeping...
Shut your eyes!
ZZZ

Glides the swan among the rushes
To its rest where moonlight gleams,
And the angels' whisper hushes...
Peaceful dreams!

O'er the sky stars without number,

On the earth a silver light;

All is harmony and slumber...

Dear, good night!
